

## LETTER FROM THE DIRECTOR - STATEWIDE BENEFITS OFFICE, OMB

Welcome to the Statewide Benefits Office Website!

The benefits provided to you by the State are a valuable asset. In keeping with our mission to provide progressive, comprehensive benefits, we offer a broad range of insurance coverage from health care insurance for you and your family to pet care insurance for the beloved family pet. As these benefits are an important part of your employment package with the State, this website includes a wealth of information about each of these programs.

In addition, you can access a contact list for the vendors as well as for the staff in the Statewide Benefits Office. Please feel free to contact us if you have questions or concerns at [benefits@state.de.us](mailto:benefits@state.de.us).

Thank you,

Brenda L. Lakeman, Director
